MOBILE MANAGER PRO

SERVICE MANAGEMENT MADE MOBILE

From start to finish, you have control from the tablet. Write-up customers, send digital inspections, and communicate via text. It's a complete, paperless process.

OVER THE ROAD

MANAGE YOUR SHOP REMOTELY

Inspect and service vehicles, and send estimates while on location with all the data going back to your shop in real-time. Access repair information anywhere while Over The Road.

KEY FEATURES

- VIN Scanning & License Plate Decoding
- Increase precision and track actual labor times
- Customized digital vehicle inspections
- Take Photos & Videos (Videos Only For Mitchell1 Users)

PRO PACK

THE SERVICE PROCESS FIXED

Automatically set future appointments and recommendations with a single click. Communicate with customers using text; no more waiting for the phone. Build your shop's brand, advertise with invoices, and measure your business growth.

REVIEW MANAGER

INSTANT TRUST IN YOUR SHOP

It's as easy as turning on a button and getting the fastest reviews and best Google ranking possible.

WELCOME STATION KIOSK

SELF CHECK-IN

Customers can check themselves in, give you all of their up-to-date contact information, and up-sell themselves.

PRO CALL

COMPLETE CUSTOMER PROFILES

Know the customer's information before picking up the phone.

JUMP START

IMPROVE SHOP EFFICIENCY

Increase shop productivity, accuracy, & operations with 100 new categories and over 300 prebuilt jobs. (Mitchell1 Users Only)
